REFERENCE: My letter of 8 Feb.1957,concerning Mr.VÖRK.

In response to the advice given to me by this Authority on 15 Feb, by intermediary of Mr.Baumann, I tried ~~not~~ to find out Mr.Vörk's "interest".

Up to the weekend of 16/17 Feb.he had not repeated his call. Thus I phoned the number left behind by him.

Mrs. LOOR answered and told that her nephew,Mr.Vörk,had gone to Canada, and was expected to be back the next weekend.

I understood that Mr.Vörk's ship was going back to Finland on 5 March. I promised to phone again in case that I happen to come back to New York the next weekend.

I phoned again on 24 Feb. Mr.Loor answered and told that Mr.Vörk was not yet back from Canada. I asked Mrs.Loor for some information about Mr.Vörk, so to help my memory:to recollect my contact with Mr.Vörk, and to ~~discuss~~ ask him among the many Mr.Vörks I know. Mrs.Loor said not to know whether, when and wher,if at all,Mr.Vörk,her nephew,had met me. Mr.Leho VÖRK, brother of the wellknown Estonian musician and composer Enn VÖRK, is associate professor in a University in Finland (she did not mention the name of the university).

Back for weekend in New York,for the first time after 5 Mar, I learned from my wife and son, that there were no calls from Mr.Vörk any more.

Even now, aided by the information received from Mrs.Loor, I have no recollection of having met Mr.Leho VÖRK ever. Nor have I heard of him anything before this his call.

Mrs.LOOR, too, is unknown to me and to my family.However, my son,Rein, said that he knows an Estonian boy-scout LOOR, who probably is a son of the said Mrs.Loor, and might,thus, have been the source of Mr.Vörk learning my name and ~~my~~ telephone number. However, it is possible that Mr.Vörk has learned my name and address in New York when staying in Washington and seeing other Estonians here, as I have learned that he did,before he had called my wife's phone on 5 Feb.
